Course Fees Funding & Payment Options

Investing in your future should be as straightforward as possible.

At Mabel & Friends Canine Academy, we understand that undertaking a new qualification is an important investment. That's why we offer a range of payment options to help make your learning journey more accessible.

Learners can choose to pay their course fees in full or discuss an instalment plan with us, allowing payments to be spread over an agreed period.

Flexible Payment Options

Finance Options

Finance may also be available through iPET Network's third-party finance broker, iDeal4Finance, subject to eligibility, lender approval and applicable terms and conditions.

Depending on your individual circumstances and the qualification you wish to undertake, you may be eligible for government-supported training funding. Eligibility and availability vary, and we would be happy to help you explore potential options.
