iPET Network Level 2 Award in Canine First Aid

Description

The iPET Network Level 3 Award in Canine First Aid is perfect for owners and professionals alike who want to be prepared should a pet need emergency treatment. The qualification covers the most commonly faced canine emergencies such as how to treat injury, dress wounds, allergic reactions, stings, poisoning, choking, seizures, CPR, hypothermia and much more.

The qualification is an excellent balance of theoretical and practical learning to ensure candidates have the knowledge required should they ever be faced with an emergency first aid situation.
