

Grooming & Styling

Your dog's home for the day at our purpose-built salon, run by our Senior Groomer and team. Whatever look you're after, from a classic breed-standard trim to something a bit more adventurous like our Asian Fusion styling, we can talk it through with you.

Book them into the salon and we'll happily arrange taxi pick-up and drop-off too, so you don't need to build your day around it.

Stick with us and it pays off. **25%** off your fifth appointment, **50%** off your tenth.

We can cater for any canine. Our service includes specialist breed standard styling, which tailors the grooming to the unique needs and characteristics of different dog breeds. We also offer more creative and artistic 'Asian Fusion' grooming styles for the more adventurous pooch.
We also offer our taxi service to pick up and drop home dogs booked into the salon.
