Dog Grooming Courses

iPET Network Level 4 Higher

Professional Diploma in Dog Grooming

Description

iPET Network are proud to have developed this qualification in the Animal Care and Veterinary Science sector. The iPET Network Level 4 Higher Professional Diploma in Dog Grooming is designed to be flexible to meet the real life needs and circumstances of its Candidates. It is aimed at Candidates that can demonstrate their expertise in understanding an excellent standard of dog grooming styling skills for both breed standard and freestyle grooming. They must demonstrate a high level of knowledge in relation to canine welfare, managing behaviour and business operations, developing their personal and professional development and gaining skills in canine emergency first aid at work.

Leading industry experts have been consulted and reviewed this qualification to ensure the outcome is appropriate for the Dog Grooming industry and the continued growth and development of the sector.

The qualification is an excellent balance of theoretical and practical learning to ensure that vocational skills lead the qualification with underpinned knowledge developed throughout. This qualification is aimed to lead Candidates into being able to develop established dog grooming skills to a superior and professional level.
