iPET Network Level 3 Award in an Introduction to Dog Grooming

Description

The qualification is designed for Candidates who wish to gain the skills and knowledge to prepare, style and finish several dog breeds and understand health and safety in a dog grooming salon. The qualification is a combination of practical and theory teaching. Candidates will be trained in practical skills such as prepping, bathing, scissoring, clipping, styling and nail trimming on several dog breeds.

Candidates will groom at least 3 dogs to include a minimum of 2 different breeds, covering 2 different coat types. Candidates can join at level 3 without having completed a lower level (level 2) course first.

The iPET Network Level 3 Award in an Introduction to Dog Grooming will demonstrate to an employer or the general public that Candidates have a basic understanding of dog grooming principles. Candidates will leave with a basic knowledge base to continue learning or working in the Dog Grooming Industry. It has been designed specifically for those looking to start the journey into Dog Grooming or those who already groom dogs (as a hobby) but would like to gain a nationally recognised qualification.
